FOR FURTHER INFORMATION CONTACT: Joy Alford, Federal Communications Commission, Washington, DC, (202) 418–0680.

SUPPLEMENTARY INFORMATION: On September 14, 1998, Region 19 submitted a proposed amendment to its Public Safety Plan that would revise the current channel allotments to reflect changes made as a result of its fourth window application process. In accordance with the National Public Safety Plan, each region is responsible for planning its use of public safety radio frequency spectrum in the 821–824/866–869 MHz bands.² The Public Safety Plan for Region 19, which was adopted by the Commission on April 26, 1990, governs the use of frequency assignments in the 821–824/866–869 MHz within the New England area.³ The Commission is soliciting comments from the public before taking action on this proposed plan amendment. Interested parties may file comments to the proposed amendment on or before November 29, 1998, and reply comments on or before December 14, 1998. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS), [*See Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24,121 (1998)], or by filing paper copies. Commenters who submit by paper should send original and five copies of comments to the Secretary, Federal Communications Commission, Washington, DC 20554. Commenter should clearly identify all comments and reply comments, whether submitted electronically or as paper copies, as submissions to General Docket 90–53 New England Public Safety Region 19. Comments filed through the ECFS can be sent as an electronic file via the Internet to <<http://www.fcc.gov/e-file/ecfs.html>>. Generally, only one copy of an electronic submission must be filed. In completing the transmittal screen, commenters should include their full name, Postal Service mailing address, and the applicable docket or rulemaking number.

Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments,

commenters should send an e-mail to ecfs@fcc.gov, and should include the following words in the body of the message, “get form <your e-mail address>.” A sample form and directions will be sent in reply.

Private Land Mobile Radio Service Rules, North Carolina Public Safety Regional Plan

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: The Chief Public Safety and Private Wireless Division released this Public Notice amending the North Carolina Public Safety Regional Plan (Region 31 Plan) that revises the current channel allotments for radio frequencies in the 821–824/866–869 MHz bands within the state of North Carolina. As a result of approving the amendment for the Plan for Region 31, the interests of the eligible entities within the region will be furthered.

DATES: October 30, 1998.

FOR FURTHER INFORMATION CONTACT: Joy Alford, Federal Communications Commission, Washington, DC, (202) 418–0680.

SUPPLEMENTARY INFORMATION: By this Public Notice, the Commission announces that the North Carolina Regional Planning Committee proposal to amend the North Carolina Public Safety Regional Plan (Region 31 Plan) revising the current channel allotments for radio frequencies in the 821–824/866–869 MHz bands within North Carolina is approved. In accordance with the Public Safety National Plan,

Region 31 is responsible for planning public safety radio frequency spectrum use in the 821–824/866–869 MHz bands within North Carolina.¹

On February 5, 1998, we received a request from the North Carolina Regional Planning Committee proposing to amend the Region 31 Plan, which was adopted by the Commission on August 3, 1993.² We have reviewed the Region 31 request. The amendment is considered a minor amendment and includes concurrences from each of the adjacent Regions 10, 37, 39, and 42. The amendment is, therefore, approved as submitted. The Secretary's Office will place the amended Region 31 Plan in the official docket file where it will be available to the public. Questions regarding this public notice may be directed to Joy Alford, Wireless Telecommunications Bureau (202) 418–0694.

The original Region 31 Public Safety Plan is available for inspection and copying during normal business hours in the FCC Reference Center (Room 230) 1919 M Street, NW, Washington, DC.
